

# Bus changes coming

In Snohomish County  
More service, less crowding

## September 29 is the big day!

Major ST Express changes mean easier and less crowded bus trips to Seattle and back.

Most Everett-Seattle buses start and end at Everett Station and only serve downtown Everett on early morning weekday trips on Route 510 and late night weekday trips on Route 512.

These changes allow Sound Transit to provide more buses between Everett and Seattle.

Community Transit and Everett Transit buses continue connecting Everett Station with downtown Everett, including Community Transit's SWIFT Bus Rapid Transit service.
